

To: Crystal Clear Pools

Hassell and I both wish to express our appreciation for the service and attention that we have received over the past few years. We have thoroughly enjoyed both the pool and the spa and we know that much of this is due to the fact that we knew if there were problems we could depend on you people to work things out for us. Not many people would give this kind of service and care that you do after several years and because of this we gladly recommend you to anyone we know who are interested in a pool or spa.

Than ks for caring!
